

Testimonials

from students and parents.

Halswell has a limited number of places available for international students.

Halswell is an extremely nice school. Friends and teachers are so kind and it is easier to settle down at this school, especially at my level. I went to year 7 and year 8 which had many activities and new experiences. It was a very precious time. If I had another chance to be here I would really hope to come again.

Young Eun Kim

Parent testimonials updated

"I chose Halswell because it is on the edge of the city and I liked the less busy life."

"It was quite different from school life in Korea."

"We called the kiwi people sports-loving people. I was so pleased to see kids playing on green grass at school."

"The school has a lot of different activities which can encourage students to feel satisfied with school life; indoor and outside activities, fitness, various sports (cricket, touch rugby, soccer, golf, tennis, swimming, netball, volleyball, hockey, etc)"

"Halswell School was very focused on music. Students have the chance to develop their music skills and enjoy music; violin, guitar, piano, flute, clarinet, saxophone, vocal group, choirs, orchestra and so on."

"Year 7 and 8 students go to technology classes. They have opportunities to do practical work there and also learn other languages."

"My daughter presented her works in a beautiful way. I was so impressed with the sort of curriculum that guides students to make them learn by themselves."

"I was so satisfied with my daughter spending time at Halswell School. She has improved speaking English a lot here. She made good friends (and got to study well)."

"The kids at the school were so kind and generous with a big smile. I also made some little friends here at school."

"The teachers were wonderful and very warm hearted. They sometimes seemed to be friends. I felt blessed to have met them all. Thank you for all the fun and the precious life so far."

"Thank you very much for your kindness and I respect your value on education"

"Generally people don't know how superior your education is"

School Fees

\$10,000 (includes GST and Government Levy)

Lifelong Success Through Learning

Halswell Primary School provides high quality co-education for years 0-8 students. Our vibrant decile 10 school is situated in a beautiful suburban area of Christchurch close to the city. There are many recreational opportunities in the area and a most desirable lifestyle can be enjoyed in a safe family community.

Halswell School has a strong commitment to provide the very best education for every child. Halswell students are recognised for their academic excellence, sporting achievements, performing arts and creativity. All students participate fully in the New Zealand curriculum. There are many opportunities to enrich students interests and develop new skills. The School is well resourced and has highly qualified staff.

Our friendly caring staff help new students integrate quickly into their classroom programmes and enjoy learning. Halswell students are very friendly and value students from around the world.
